Dear Mr. Dulles:

Your survey of the Soviet economy, as reported in the press, in which you point out that Russia will be near the U.S. level by 1970 is a very important warning.

I am so glad you have reported this situation to the American Congress, and I hope our country will heed the warning so implicit in what everyone must agree is a dangerous situation.

I for one am grateful for your bringing this fact to the American attention so forcefully.

Sincerely yours,

K.C. Li
